Accounting & Auditing للمحاسبة والتدقيق

A black and white photograph of an office environment. Several people are seated at desks with cubicle dividers, working on computers. The scene is brightly lit, and the office appears to be a professional accounting or auditing firm. A large red rectangular overlay is positioned on the left side of the image, containing white text.

GLOBAL STANDARDS LOCAL KNOWLEDGE

Eisa Alderbasti Accounting and Auditing has been serving the local businesses of Qatar for almost a decade as a medium for companies that require Assurance, Tax and Financial Advisory Services. Our expert team is exposed to global standards, yet remains rooted in local knowledge, with personalized attention focused on every client.

A black and white photograph of an office environment with several cubicles. In the foreground, a man in a white shirt is seated in a black ergonomic office chair, facing away from the camera and working on a computer. In the background, other employees are visible at their desks, including a woman in a hijab and another man. The cubicles are separated by white partitions, and the floor is covered with a patterned carpet.

PERSONALIZED APPROACH

The most noted factor about our services is our approach; irrespective of how big or small the business may be, we provide a unique and personalized level of attention to their business needs. Our assistance is reliable, timely and methodical. With a client retention rate of almost 95%, our service extends to more than five hundred local clients, as well as many international clients.

EXPERTISE BEYOND ACCOUNTING & AUDITING

Even though we primarily deal with Auditing and Accounting, Eisa Alderbasti actively helps in reshaping organizations, reassessing business plans, improving the company's business plan, evaluating and honing its strengths and more.

Our main areas of expertise are:

- AUDIT & ASSURANCE SERVICES
