

# MOF Classification Certificate

[www.monaqasat.mof.gov.qa](http://www.monaqasat.mof.gov.qa)

Elaborated by Alderbasti

## Purpose:

### Objectives of MOF classification Certificate

- Inclusion in the list of Government Registered Companies. A Single point of Vendor registration process for Government Approved Buyers.
- Receiving Notifications for Tender and Auctions
- Qualification for Classification in Sectors Appropriate to the Company's Activities.

## Steps in Carrying out the Classification Process

- Login to the Portal Using NAS username and password.
- Create Company Profile.

- Submit Application for Classification (Include Audit report ,Main activity, Revenue etc)

Source: MOF manual. Depicting - completion of profile creation by MOF

- Review of Application and Approval
- Payment and Receipt of MOF classification certificate.

Classification Services are broadly classified under 2 Broad Areas:

- Contractor
- Supplier and Service Provider

## Classification Grades

Source: MOF manual. Depicting - profile creation.

## Key Criterion for Classification Score

Revenue Matrix ( Average for 2 years ) –  
Extracted from MOF Matrix Calculation

Revenue in Millions of QAR	0-10 Million	10-20 Million	20-50 Million	50-100 Million	100-200 Million	200-400 Million
Maximum Potential Grade	7	6	5	4	3	2

Grade 1 is only for Excellent Companies

Normal Classification Certificate Validity is for 2 Years.
